Welcome

A warm welcome to you from everyone at the Children and Family Wellbeing Service in Lancashire County Council.

Our service is here to provide early help on a whole range of issues affecting you and your family. In other words, offering you the right help, in the right place, at the right time.

We work in partnership with other agencies in our community based centres, to ensure we can bring together the right support for you in your local area.

Our 'What's on guide' aims to keep you as up to date as possible about what we can offer you and includes information on what specific groups and services are available at your nearest centre, in your local community.

If you need further information or support, you can contact using the information listed in the 'Key Contacts' section of this guide.
